SCALE OF CERTIFICATE FEES

From 1st January 2024

The fees listed here are administration / certification fees.

Please note that survey fees are additional & vary according to location, complexity & condition of the vessel & to the degree of preparation of the vessel for the survey. Please note that survey fees are charged in addition to certification fees. The applicant is also responsible for the payment of these fees. Certification cannot be issued until all such fees have been settled in full.

	All Vessels
Annual Certificate Fee	£105
Amendment & re-issue of Certificate	£65
Stability Approval (for complex vessel e.g. cargo/crane/towing)	From £500

VAT can be treated as out of scope for fees associated with statutory surveys/certification carried out directly by MECAL.

NOTES:

- Change of owner of a MECAL coded vessel will incur a certificate fee as shown above for Certificate Amendment. The vessel will require an examination by an authorized examiner under the scope of a reduced annual examination. Survey fees for such examination are charged extra according to vessel complexity, location & the degree of preparation.
- Transfer of a vessel to MECAL from another Certifying Authority will incur a fee as in 3 above, for re-issue of the certificate. The vessel will not normally be subject to examination by an authorized examiner provided that there are no overdue examinations or outstanding issues under the previous Certifying Authority.
- It is Mecal Policy to charge in advance of a survey if the vessel / owner is abroad or if there have been payment delays in the past.
- Survey fees for surveys carried out by MECAL are generally based on time & thus vary according to the complexity of the vessel, location & the degree of preparation. Owners are encouraged to keep such fees to a minimum by careful preparation of the vessel for survey using the vessel SCV2/SWB2 as a guide or, in the case of a vessel newly coming into code, by the issue of detailed code specifications & advice from our technical department. The technical specifications are available to all clients on request free of charge
- Vessels requiring annual surveys are those that fit into 1 or more of the following categories:
 - Operating in Area Categories 0 or 1
 - Carrying 16 or more persons
 - Carrying more than 1000kg of cargo
 - Fitted with crane
 - Towing
 - Workboat with Pilot Boat Endorsement
 - Those on Brown Code or Workboat Code Edition 2
 - Vessels on Colour Codes that are > 15m
 - Certain other vessels deemed by MECAL to carry additional risk (e.g. old wooden vessels & vessels of high complexity, vessels considered to be poorly maintained & where recommended by surveyor)

6. Stability book approval for all vessels is carried out by MECAL Technical Department. The quoted fees assume that the books are presented in the required format. If this is not the case, any resulting additional time spent in carrying out the approval will result in additional fees being charged according to the time spent. Additional fees may also be charged for more complex stability information books (e.g. for vessels with two cranes).
7. Occasional surveys carried out directly by MECAL following damage, detention, modification or otherwise as deemed necessary to verify the condition of a vessel, will be charged at the MECAL current rate (please contact the office for advice on this) . These charges will vary for vessels located abroad.
8. When the process of certification does not proceed, we reserve the right to retain an amount commensurate with any work that may have been performed by MECAL admin or technical staff.

- 11.1.2 revise elements of the Services already completed in accordance with the Contract; or

- 11.2 Unless such instruction by the Client is required as a result of a failure by MECAL to comply with the Contract or any other negligent act or omission of MECAL, an instruction under Clause 11 will constitute a Variation.
- 11.3 If MECAL considers that an instruction has been given or other event has taken place for which it is entitled to receive a Variation, MECAL shall (and where practicable before proceeding with any work affected by such instruction) request that the Client accepts a Variation in respect of such instruction.
- 11.4 Any Variation request by MECAL shall include details of the instruction, any relevant dates and the Clause or Clauses of the Contract under which MECAL considers itself to be entitled to a Variation. Each Party's representative for the purposes of the dispute process shall be an individual with the authority to deal with the dispute.
- 12.5 If no agreement is reached under Clause 12.4 or 10 Business Days have passed since the Notice of Dispute was served on the other Party, the Parties shall, acting in good faith, within 40 days from the date of the Notice of Dispute, attempt to resolve the dispute by attending mediation. The mediation shall be in accordance with the Centre for Effective Dispute Resolution Model Mediation Procedure. Both parties shall exchange mediation papers (maximum 7 pages long) outlining their position five (5) Business Days in advance of the mediation. If a license and/or royalty fee for the use of MECAL's intellectual property is applicable, it shall be agreed between the Parties prior to commencement of each Service undertaken under this Contract.
- 14.2 Subject to Clause 14.1, neither the Client nor MECAL shall have the right of use, other than for the purposes of this specific Contract, whether directly or indirectly, of any patent, copyright, proprietary right or confidential know-how, trademark or process provided by the other Party and the intellectual property rights in such shall remain with the Party providing such patent, copyright, proprietary right or confidential know-how, trademark or process.

- 15.4 Each Party will not unreasonably withhold any information requested by the other Party and shall disclose to the other Party any information requested necessary by the other Party.
- 15.5 The Client's relationship is solely with MECAL. No representative of MECAL has any personal legal obligation and/or liability to the Client whether in contract, tort (including negligence) or otherwise. The fact that any representative of MECAL signs any documentation, electronically or in writing, in his or her name in the course of carrying out the Services does not give rise to any personal legal liability separate to that of MECAL.
- 16. ENTIRE CONTRACT**
- 16.1 This Contract constitutes the entire agreement between the Parties and supersedes and extinguishes all previous agreements, promises, assurances, warranties, representations and understandings between them, whether written or oral, relating to its subject matter. The provision of any other terms and conditions by any party and/or Client shall not bind MECAL in any way.
- 16.2 Each Party agrees that it shall have no remedies in respect of any statement, representation, assurance or warranty (whether made innocently or negligently) that is not set out in this Contract.
- 17. WAIVER**
- 17.1 None of the terms and conditions of the Contract shall be considered to be waived by MECAL unless a waiver is given in writing by MECAL to Client. No failure on the part of MECAL to enforce any of the terms and conditions of the Contract shall constitute a waiver of such terms.
- 18. CONSEQUENTIAL LOSS**
- 18.1 Notwithstanding any provisions to the contrary elsewhere in the Contract, Client shall release, defend, indemnify and hold harmless MECAL from the Client's consequential loss and MECAL shall release, indemnify and hold harmless the Client from MECAL's consequential loss.
