G. NOTES

29.4.5 When an application is received by the **Administration** to renew the DoC DG for an **existing vessel** transitioning from **MGN** 280 or the Brown Code the limitations on the type and amount of dangerous goods that the vessel may carry shall be as per **MGN** 280. If the vessel has previously been authorised and certificated to carry more than **MGN** 280 requirements, this will be dropped down to the carriage requirements of **MGN** 280 levels.

29.4.6 For an existing **MGN** 280 vessel applying for a DoC DG for the first time, they will be permitted to carry dangerous goods in accordance with **MGN** 280.

29.4.7 For an existing Brown Code Vessel applying for a DoC DG for the first time, they will not be permitted to carry dangerous goods unless they choose to upgrade to the **Code** in full.
